

**RESOLUTION NO. 2019 -**

**RESOLUTION OF THE CITY COUNCIL, OF THE CITY OF LEMON GROVE, CALIFORNIA, ADOPTING A LIST  
OF PROJECTS FOR FISCAL YEAR 2019-20 FUNDED BY  
SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017**

**WHEREAS**, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

**WHEREAS**, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

**WHEREAS**, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

**WHEREAS**, the City, will receive an estimated \$444,147 in RMRA funding in Fiscal Year 2019-20 from SB 1; and

**WHEREAS**, this is the third year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, or increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

**WHEREAS**, the City has undergone a public process to ensure public input into our community's transportation priorities/the project list; and

**WHEREAS**, the City used a Pavement Management System to develop the SB 1 street rehabilitation project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

**WHEREAS**, the funding from SB 1 will help the City maintain and rehabilitate regional arterial, collector and residents streets throughout the City as well as create a detailed storm drain capital improvements program; and

**WHEREAS**, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City streets and roads are in a good condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a much more improved condition; and

**WHEREAS**, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

**NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND** by the City Council of the City of Lemon Grove, State of California, as follows:

1. The foregoing recitals are true and correct.
2. The following list of proposed projects will be funded in part or solely with fiscal year 2019-20 Road Maintenance and Rehabilitation Account revenues:

*Project Title: FY 2019-20 Street Rehabilitation Project.*

*Project Description:* This project will allocate a portion of the RMRA funds to support its annual street rehabilitation project.

*Project Location:* While referencing the City's pavement management program, the street listed for treatment in FY 2019-20 will be designed and constructed. If funding allows additional streets to be included beyond FY 2020, they will be included in the FY 2019-20 project.

*Project Cost Allocation:* \$553,000.

*Proposed Schedule for Completion:* FY 2019-20.

*Estimated Useful Life:* The streets useful life is anticipated to be equal to or greater than 10 years without major repair work.

*Project Title: Storm Drain Master Plan (Phase II).*

*Project Description:* This project will allocate a portion of the RMRA funds to complete the City's storm drain master plan. During FY 2018-19, the City updated the storm drain master plan, however, due to limited funds the creation of interim solutions for CMP segments, identification of necessary segment sizes, a construction cost estimate, and prioritization of recommended improvements to support future capital improvement projects was postponed. Those remnant tasks will now be completed as a part of this project.

*Project Location:* The City's storm drain system is contained in multiple areas citywide.

*Project Cost Allocation:* \$50,000.

*Proposed Schedule for Completion:* FY 2019-20.

*Estimated Useful Life:* The master plan document will be referenced for at least the next five-year period to support on-going capital improvement projects related to repairing and replacing the city's storm drain infrastructure.

**PASSED AND ADOPTED** by the City Council of the City of Lemon Grove, State of California this 19<sup>th</sup> day of March, 2019, by the following vote:
